Excellence and Innovation in a Unique Community

"The School of Choice"

Term 4 Week 8

Friday 27th November 2015

Good afternoon parents and friends,

The current extreme weather conditions have meant that the children have stayed indoors in the air-conditioned classrooms. The back playground is currently out of bounds, due to several large branches falling. The Library is also unable to be used, until the trees are removed. Our school WHS team are working with Asset Management and the Department of Education, to address these concerns immediately.

S2A attended the Power House Museum Awards Ceremony in the city last week. It was wonderful having so many parents join us to this prestigious event. The class has won an Intel lap top for their classroom and enjoyed a Claymation workshop. Congratulations!

The celebrations to highlight the achievements of this year, are about to begin!

Please check your calendar and may I suggest to put your notes on the fridge, as reminders ☺

It is with great pride, that I announce Mr Mitchell Vella has been awarded a promotion, on merit, as a permanent member of the teaching profession. Unfortunately for us, he will be leaving Kenthurst PS to take up his new position. We thank him for his dedication to student learning, his commitment to setting high standards for our students and all of his hard work, particularly in sport. We will all miss him. Wishing you continued success!

Yours in quality education.

The simplest way

...to make tasty summer rolls.

Go for something different in the lunch box and swap a sandwich for a summer roll. These little morsels also make great after school snacks.

Ingredients

The options are endless! A combination containing a few veg (grated carrot, finely sliced cucumber, avocado, snow peas) + noodles (vermicelli, rice stick) + meat (prawns, chicken, pork) + herbs (coriander, mint) works well, wrapped up in rice paper.

Method

Prepare filling.

Soak the rice paper in warm water until just softened. Remove from the bowl and place on a plate.

Divide filling and add each portion of rice paper.

Fold over rice paper and roll up, pressing edge to seal. Repeat with remaining ingredients.

Cut rolls in half and serve with sweet chilli sauce.
