

Kenthurst Public School

Excellence and Innovation in a Unique Community

"The School of Choice"

Term 3 Week 4

Friday 16th August 2019

Principal's Report

The new SRC members have been presented with their badges and we congratulate our Presidents Abby Coxon and Jasmine James. There is lots of work to do this semester, with Student Voice and supporting Ikepe students from Vanuatu.

The External Validation has been submitted, as we now look forward to the panel meeting. next Thursday.

Recently, the school applied again, for a School Crossing Supervisor for Kenthurst Road.

'The program contributes to the safety of students by providing school crossing supervisors to help them use the crossing facilities on roads adjacent to the school or the nearest crossing facility provided RMS guidelines are met. Kenthurst Public School is not eligible for a School Crossing Supervisor under the current program's criteria.'

Together with the P&C, the school will continue to pursue this request, as a matter of urgency.

Reading is my SECRET POWER

Book Week is next Tuesday with a Book Parade and Readers Theatre, beginning at 9.45am in the School Hall. Parents and Grandparents are invited to visit 'The third Teacher' ~ our classrooms, for an Open Day experience. Come see and hear what your child is learning. **They will tell you!**

Dates to look forward to:-

- Thursday 22nd Ridges Athletics Carnival
External Validation panel meeting with executive team
- Friday 30th August Jersey Day
- Tuesday 3rd September The Year 6 Fete
- Stage 3 Canberra Excursion Monday 9th September – Wednesday 11th September

Enjoy this glorious weather. Spring is coming ☺

Download our school app for free!

Why download the app?

Receive instant notifications for important news.

Easily register absentees and excursions.

Keep up to date with events and set reminders.

Download instructions:

1. Go to the App Store and download "School Stream" to your phone.

2. Open the app and type the school's name into the search bar to load the school's profile.

3. Make sure you agree to Push Notifications when prompted.

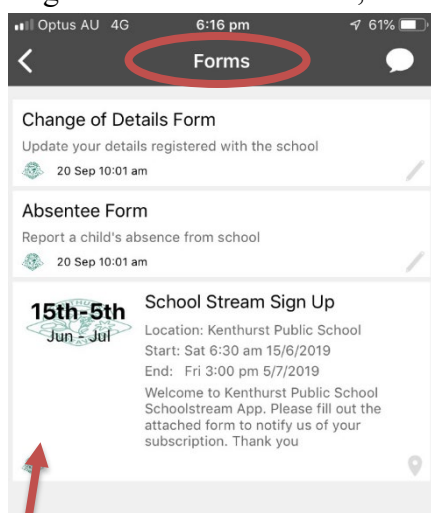

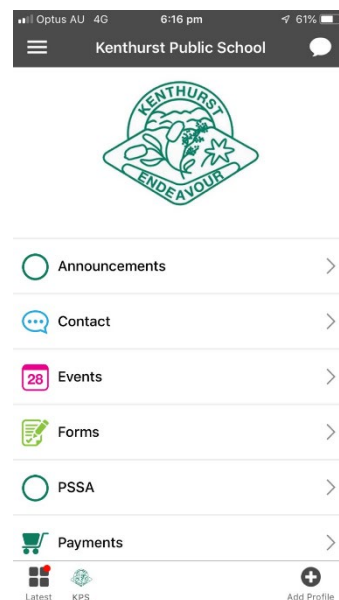

Dear Parents,

Kenthurst Public School is updating our methods of communication with the school community. From Term 3, we will be using an app called 'SchoolStream' for a number of everyday school matters. SchoolStream is used in over 800 school's around Australia. It has proven to be an effective method of making life easier for our parents when it comes to issues of school life.

SchoolStream will become an app to manage including, but not limited to; student absences, notes home to parents, permission slips and payments through the 'SchoolStream' app. This app will reduce the chance of students misplacing notes to and from school, allow instant access to forms and signing of permission slips, keep you in the loop with what is happening at school at all times and most of all, make life easier for everyone. Notes will always be available on our SchoolStream app, as well as event times on the app calendar, complete with locations and directions to and from venues.

Over the remainder of Term 2, we will be using the app in conjunction with other programs in existence at the school. We would like **you** to download the app as soon as possible and create an account following the prompts below. We encourage both parents to have this app on their phone/device. Once you have registered to be a part of Kenthurst Public School SchoolStream, an administrator will then approve your request. Following approval, you will be able to access, events, forms and notifications for anything that is happening at Kenthurst Public School. The first thing we would like you to do is fill out the form that says 'School Stream Sign Up'. Successfully completing this form will allow the school to track the registration of parents from each class.

To log in or create an account, follow the steps below:

1. If this is your first time using the app, you will have a screen to search for your School Profile. Search your School Name and add your School from the dropdown options. **(If you have already added your School, skip this step).**
2. Tap the menu icon at the top left of the App.
3. From the menu, select the top option 'Log in or create account'.
4. You will need to accept our Privacy Policy to create an account. If you accept the Privacy Policy, tap 'I Agree'.
5. Choose to login via Email, Phone or Facebook.
6. Enter the required details and select 'Get Code' **(Facebook login skips this step).**

7. We will send you a code via either Phone or Email, depending on your login option. Enter this code into the App. **(Facebook login skips this step).**
8. That's it! You're logged in, simply tap 'Continue' to start using the App.

Please now complete the SchoolStream Sign Up note that you will locate in 'Forms'.

Thank you for your time in continuing to work with our school to improve the lines of communication.
