Sunglasses presentation:

A fantastic presentation by Sue from School Shades who taught us all the numerous and valid reasons why our children should have their eyes protected. Samples have been left for discussion.

P&C very much on board with the idea and will work with SRC to decide colour black or green and to promote the wearing of sunglasses at recess and lunch. Those already wearing prescription glasses have UV protection so don't need the sunglasses as well.

Treasurer's Report – Rose

Please refer to Finance Reports for July.

I will review Father's Day breakfast run sheet tomorrow morning and will order all breakfast stuff before the day. If anyone has a contact at Woolworths for voucher, I can then use it to buy Bread rolls. If we need more coffee, milk etc I will organise with people also.

Roster for Father's Day breakfast - I will go and collect rolls from woollies early then be around for the morning on a bbq.

Uniform- Kylie

Last term we received 17 pairs of tracksuit pants & we have only sold a couple since then. We have 6 months to return the track pants at a 10% re-stocking fee. Cost of track pants is \$16.45 each. I am looking for approval to return remaining track pants as I do not think they will sell at this stage of the year.

Last term's order of polo shirts has arrived the culottes are on their way. I will be showing samples of track suits available at the meeting.

Soon I will need to put an order in for sports polo's, sports shorts/jackets for kindy's – pending outcome of new sport uniform options.

Canteen- Vanessa

I have been working on the new menu to align with the Healthy Canteen strategy implemented by the NSW Government. Schools don't have to comply until the end of 2019, however, I am hoping to have ours up and running on day 1 2019. I will meet with a rep to go over the menu and will accept Rose Barnes' kind offer of help! It is a big job and happy for any input for healthy options (especially recess).

I am meeting with Caron tomorrow to discuss the new freezer. I have found one and will ask Caron for approval and payment of the invoice. She had previously confirmed that the school owns the current freezer and is happy for KPS to pay for a new one.

I have completed the roster for term 3 but am always to have new faces in to help. Spread the word!!
