STEAM Workshops

Dear Parents/Caregivers,

Students will be participating in an exciting series of STEAM workshops during Term 1. STEAM is an acronym for Science, Technology, Engineering, Art and Mathematics. The STEAM workshops are a school-based incursion program focusing on robotics and coding. They will be delivered by Sammat Education teachers. They incorporate activities that enhance and match the Australian Curriculum learning objectives.

Eight week program

The 3-6 program starts on Wednesday the 20th of February and the K-2 program starts on Friday the 22nd of February (Term 1, week 4).

The program will continue each Wednesday (3-6) and Friday (K-2) from Week 4 to Week 11.

The K-2 program's week 11 lesson will be on Thursday the 11th of February due to our Grandparent's Day event being held on Friday the 12th.

Cost: The total cost of the program is \$45 per student

Payment: The payment and permission is due by Monday the 18th of February.

Please sign the permission note below and return with payment so that your child can participate in this exciting program.
